Head Teacher's Message

It has been a great start to the school year, with the children very enthusiastic about new learning.

Our staff training days were focussed on 'What helps children learn?'

Evidence shows, 'Learning Powers' can be developed, helping children to become better learners.

At Godwin, we have identified that good learners:

- Are curious: They want to learn more.
- Persevere: They keep trying.
- Consider Choices: They think carefully about their decisions.
- Collaborate: They learn from working together.
- Embrace Mistakes: They know that they are important for learning.
- Evaluate: They reflect on what helps them learn.
- Explain Reasoning: They can articulate their ideas.

We have introduced these Learning Powers to the children and will be talking about how they can be strengthened.

Please ask your child to tell you more!

Best wishes for a restful weekend.
