

Head Teacher's Message

It never fails to make me wonder how children can find a way to express themselves so eloquently when often as adults we struggle to find the right words. The poetry which the children have collaboratively produced during Refugee Week reflects their sensitive, compassionate natures and makes me feel proud to know them. Their thoughts demonstrate that the British Values of Mutual Respect, Tolerance and Individual Liberty aren't just words on a school website or lofty ideals promoted by educationalists; your children have shown the ability to internalise these words and express them as feelings – both of despair and hope. Please talk to your child over the weekend about what they feel they have learned and achieved during Refugee Week and encourage them to submit their own poems for our anthology (details on p3).

UNCRC Article 7: All children have the right to a name and nationality.

UNCRC Article 6: Every child has the right to survive and develop to the full.

We are delighted to be promoting the Summer Reading Challenge by taking all of our children to the Gate Library over the next few weeks. This is a fantastic local resource to support learning and is free – what's not to love?! When your child brings home the books they have borrowed from the library please support them to find a quiet space to enjoy 'disappearing' into a book. We know how much Godwin children value our fantastic school library and so we sincerely hope they can revel in reading over the summer holiday!

UNCRC Article 29: Every child has the right to an education which develops their talents

UNCRC Article 31: Every child has the right to relax and take part in a wide range of activities

With best wishes for a cooler weekend!

Governing Board Vacancy

As you are aware, we have a vacancy for a Parent Governor at Godwin.

The deadline is 12 noon on Wednesday 23rd June 2021 for nominations.

Please refer to our email of 9th June for an application form- if you would like a hard copy please email info@godwin.newham.sch.uk and we will give your child a paper copy to bring home for you to complete.

If you have any questions, please ask Ms Brown on the school gate or email the school.

Warm Weather Advice

As the weather is now significantly warmer it is very important for every child to bring a water bottle to school to access during the day. Staying hydrated helps towards a more effective learning experience.

Also, please ensure your child is dressed appropriately for school, cool, loose clothing is best, but please no skimpy shorts, spaghetti strap tops or flip flops.

A sun hat is another item your child can wear when out in the playground to help protect them from the summer sun.

Refugee Week Book

World Refugee Day is 20th June, celebrating the contributions, creativity and resilience of refugees and people seeking sanctuary.

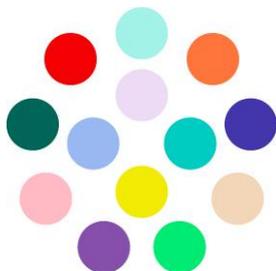

This week we have been reading some beautiful picture books about the difficulties faced by refugees, and using them as inspiration for class poems.

These poems will become a book with proceeds going to Care4Calais, the charity that our School Council selected.

We would also like to invite children to write individual poems at home. All entries will receive a certificate and the top entries will be published as part of the book.

Entries can be written on paper and handed in at the gate or emailed to the school account (info@godwin.newham.sch.uk). In either case, please mark them as being for the attention of Miss Smith and ensure your child's name and class are included.

The theme of Refugee Week 2021 is "We cannot walk alone". During the pandemic, many of us felt lonely and isolated at times, and we know how difficult this can be. Your child might like to use this theme as inspiration.

Book Amnesty

We have noticed that we have a large number of 'Godwin' library books missing.

This weekend please have a look around your house; under beds, down the side of the sofa to see if you have any school books to return.

Please bring them to school next week as we would like to restock the shelves!

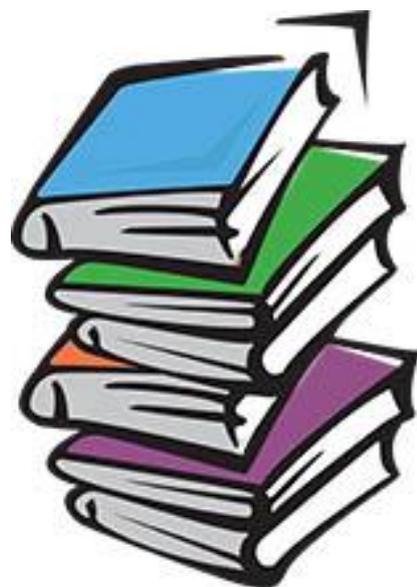

Thank you.

Book Donations

While you are looking for school books to return, if you have any books in good condition that your child no longer reads please donate them to the school.

Covid-19 Vaccination

Mass vaccination event on Saturday 19th June.

All local people are invited to a vaccination event at London Stadium, Queen Elizabeth Olympic Park, Stratford, E20 1DB between 10am and 6pm.

It is vital that we vaccinate as many people as soon as possible to prevent a resurgence of Covid 19. Only when everyone is vaccinated can we expect to return to a normal life. That is why Newham Council is strongly supporting this vaccination drive and is lobbying the government for an increase in local vaccinations.

If you are not already Vaccinated and are over 18 years old go to [London Stadium Vaccination Event on Saturday 19 June 2021 Tickets, London | Eventbrite](https://www.eventbrite.com/e/london-stadium-vaccination-event-on-saturday-19-june-2021-tickets-14984444444)
