Head Teacher's Message

Dear Parents and Carers,

Last Friday we held the graduation ceremony for our Brilliant Club Scholars who were presented with their scrolls by Lyn Brown MP who praised their commitment.

Our talented Year 6 guitarists performed fantastically yesterday for their classmates. The level of skill shown demonstrated that they have obviously been practising a lot, as well as taking on board the feedback from their tutors.

Our Year 3 children were a credit to the school during this week's educational visits to The Natural History Museum. Talking to them, it is clear that this trip has really supported their learning.

Finally, a big 'thank you' to those parents and carers who attended our maths workshop on Tuesday. We hope that you found the session helpful when understanding how we teach this subject. I hope that many more of you will be able to come to the next one.

Best wishes for the weekend
