## Head Teacher's Message

Dear Parents and Carers,

Happy World Maths Day! Thank you to those of you who helped your children dress up to celebrate the occasion – the variety of ideas and costumes has surprised and impressed us all.

As your child may have told you, it is also British Science Week. We have marked this throughout the school by conducting a number of exciting experiments which have generated a lot of enthusiasm for the subject as well as amazed us. In discussing the science behind these investigations we have explored a wide range of concepts.

Please ask your child to tell you about what they have learnt. Our boys' basketball team competed at a very high level this week and, after winning all of their first round matches, achieved an incredible third place. They demonstrated excellent sportsmanship and were a credit to the school. Well done to them!

Best wishes for the weekend

## Basketball Tournament

Congratulations to the Godwin Boys Basketball Team who took part in the Newham Schools Basketball Tournament at Langdon School. Having played superbly they finished 3<sup>rd</sup> and were awarded bronze medals!

### Attendance

Our top three classes for attendance week ending 10th March were:

3A – 100%  
3T & 6S – 99.3%  
3B – 99.2%

### Punctuality

Our best on time classes for week ending 10th March were:

3A, 3B & 5V – 0 lates  
3T, 4C & 6J – 2 lates  
4D – 3 lates

### Arriving at School

We would like to ask all parents/carers to leave their child at the entrance door to the school in the mornings and not to accompany them into the cloakroom or classroom area.

This will encourage greater independence from the children and will also cut lost teaching time. Thank you for your cooperation in this matter.

### Sainsburys Vouchers

We are collecting Sainsburys Active Kids Vouchers.

If you shop in Sainsburys, please remember to collect your vouchers and bring them to put in the collecting box.
