

# Godwin Newsletter 3<sup>rd</sup> May 2019

## Head Teacher's Message

On Monday we celebrated Earth Day at Godwin. Each year group looked at environmental issues affecting our earth such as air and water pollution, water shortage and littering. Every class then made a pledge to make a change in their own lives and join the global movement of people working to protect our planet. These vows have been displayed in the reception area. Please discuss these promises that your child has made in class this week and how these changes can also be made at home. Linked to Article 24 of the UNCRC, we are encouraging our children to become responsible global citizens.

## Big Dig & Picnic

Many thanks to all who came to our BIG Dig & Picnic last Saturday and worked so hard to improve the outside space of the school. The event was funded from the £100 raised at our recent Hot Chocolate Morning and a 'Let's Get the Party Started' grant of £250! We look forward to seeing the plants grow in the coming weeks and watching the flowers bloom, bringing colour to Godwin Junior!
