

## **Head Teacher's Message**

It definitely feels as though it is the summer term - what glorious sunshine we have had to welcome the children back this week!

In today's assembly we focussed on the British Values of Individual Liberty and Tolerance through the story of St George, whose day it is today. We reflected on the importance of being true to your beliefs and speaking up when you believe something is morally wrong. This is obviously as true today as in Roman times. Please ask your child what things they feel are important enough to challenge.

You will be receiving this half term's Curriculum Newsletters today, providing you with an outline of what the children will be learning in each subject. Please do read through these as they are a useful starting point when you ask your child about their day at school.

If you were not able to join us for the parent/carer sessions about Relationships and Health Education at the end of the spring term, please click on the links below to watch a recording of each session:

Year 5 are fortunate to have specialist cricket coaching, which started this week. From talking to our children I know they have enjoyed the sessions so far and are looking forward to a Year 5 inter-class tournament once they have honed their skills! UNCRC Article 29: Every child has the right to an education which develops their talents to the full.

Best wishes for a bright weekend

## Coats and Jumpers

Your child should continue to bring a coat to school each day. Although we have been fortunate to enjoy some lovely spring sunshine recently, the wind is still cold and children need a coat for when in the playground.

Also, please remember we still have all doors and windows open to ventilate the classrooms so wearing layers is still advisable to ensure your child does not feel chilly from the cool air circulating.

Thank you.

## Foodbank

### Can you help?

The Foodbank based at Woodgrange Baptist Church are currently experiencing high demand and as such are in need of specific supplies so that they can continue to support those most in need in our community.

From Monday 26<sup>th</sup> April there will be collection bins at both school gates for donations of –

Pasta sauce  
Small bags of rice  
1 litre longlife milk  
Tins of fruit  
Breakfast cereals  
Fruit jam  
Biscuits  
Washing-up liquid  
Washing detergent blocks

Please be as generous as possible to help support this vital outreach.  
Thank you.
