Parent/Carer Conferences

Tuesday 27th January and Thursday 29th January
3.40pm – 6.00pm

These meetings are your opportunity to meet your child's class teacher to discuss their learning.

Please ensure that you have your appointment booked.

Mrs Gould will be available in the hall to discuss any inclusion or SEN matters. Also, a nutritionist from the community Nutrition Team will be here to offer advice, information and guidance.

Free Milk

Thank you to all who returned their forms on time.

We apologise that the scheme has not begun due to a supply problem. However, we anticipate that the free milk will be available from next week.

PLEASE NOTE: If your form was received late your child will not necessarily receive milk until the following month as orders have to be made in advance.

Thank you.

Creative Writing Club

This week the children in the Creative Writing after school club have been using the phrase; 'How did...?' to fire their imaginations. Here are some extracts from Zahaara Jones:

How did the elephant get its trunk?

There were trunks in the water and the elephant was drinking water with his mouth. He had put Vaseline on his nose and a trunk got stuck on to his face where his nose would have been. That is how elephants got their trunks!

How did a fish get its fins?

The fish went down into the sea and spotted two oval shaped things that looked like fins. He swam over to them and luckily he had fish glue with him. So he picked up the fins and stuck them on himself. Then he realised that they made him swim faster. This is how fish got their fins!
