## Head Teacher's Message

Dear Parents and Carers,

It's been another busy week with our children doing fantastically well in the Newham Geography Bee and the Debate Mate League.

60 of our Year 3 and Year 4 girls also took part in an inspiring day at the Olympic Park to celebrate International Women's Day which we hope has given them the taste to try new sports and remain active.

In addition, the winners of our two competitions were announced.

Thank you to all of the children who designed Fair Trade posters and also those who created book marks to celebrate World Book Day. The standard of both competitions was exceptionally high and in particular, well done to those who won.

Best wishes for the weekend.
