Head Teacher's Message

Dear Parents and Carers,

During Black History Month we are focussing on the British Value of 'Mutual Respect', discussing how we should all treat one another fairly. By linking this to our Godwin value of 'Consideration' the children have thought about what this means in everyday life. In assemblies the children have learnt about some inspirational Black figures who embody our 5Cs and who demonstrate that 'Commitment' is key to achieving personal goals and that we each have the power to make positive choices in our lives. I hope that our children will remember this when they are faced with challenges at various times in the future.

Thank you for supporting your child with their homework associated with Black History Month; the quality of the work they have brought in to share with their classmates shows that they enjoy researching a topic and having the freedom to be creative in how they present it.

Best wishes for the weekend.

Coats

Now that the autumn days are cooler please ensure that your child brings a coat to school every day. Remember to put their name on the inside label to help us match coats in the lost property with their owners.

Thank you.
