Head Teacher's Message

How lovely it was seeing so many of our children in today's year group assemblies. I know that many of you will have been in the background during those Zoom calls but for those of you who weren't able to be there, we spoke about the importance of maintaining a regular routine so that learning continues even if children are doing this remotely. I hope that the timetables have helped with this.

I also passed on praise from their teachers about how hard most children have been working and reminded them to keep focussed during every lesson, try their best and submit all work that they are set.

The class Zoom catch-ups have also been very popular - we know how important it is for children to still feel connected to their friends during this difficult time. Research has also shown the importance of exercise for well-being; please try to ensure your child is going outdoors and getting fresh air each day. Obviously we all need to adhere to the social distancing rules to be as safe as possible.

Your child will already have heard from their teacher about our art competition, 'View from My Window' - we are looking forward to seeing how creative the children can be. The deadline is Friday 19th February. As you will know, many of our staff have been calling families each week, checking that everything is ok and asking if there is anything we can do to assist you - this may be technical problems, difficulties with motivation or anything else that you want to talk about. It is one of the ways that we are trying to stay in touch with our community as we only see a small number of parents and carers each day. Please be aware that the call will show as 'Private Number' on your display, as staff are calling from their mobiles. Please do answer - even if it is just to say that everything is going well. We want to know that you are safe and well!

The Home Learning page on our school website has some advice and information which you may find useful

Art Competiton

'A View from my Window'

You are invited to take part in the Godwin Junior School Art Competition.
The theme is '**A view from my window**'.

This means you can use ANY media (pencils, crayons, pastels, paint, collage, clay etc.) to create a piece of artwork which represents the view from your window.

Your art work should be in landscape format not portrait

You could create a representation of:

- The **actual view** from your window
- An **imaginary view** from your window (e.g. a window into your dreams)
- The **view you want for the future** when you look out of your window
 - It is completely up to you what you want to create!
 - We are spending more time at home and there are so many different views from our windows, so we wanted to share these across our school community.
- **Please keep your artwork safe at home.**
- When it's finished take a very clear picture (of just the art work) and e-mail it to info@godwin.newham.sch.uk stating your name and class.
- We will create a Visual Art Gallery for you all to see each other's work online. Once we are back at school the artwork can be brought in and we will make an exhibition of all the entries!
- Once we return to school, the winners will be announced and prizes will be awarded!
- The closing date for submission is **Friday 19th February 2021.**

Lockdown Heroes

Say a big thank you to your lockdown learning hero.

From superstar parents/carers, to teachers who go the extra mile, to children who have been learning legends – the Oxford Owl Lockdown Learning Hero Awards are your chance to say a big thank you.

Oxford Owl are asking primary school teachers, parents/carers and children to nominate someone they think has made a difference to learning during lockdown, no matter how big or small.

Our judging panel, led by Claire from playHOORAY!, will choose one inspirational nominee in each category who will win **£100 of Oxford University Press books** for their chosen school, and a **Samsung Tablet** for themselves (or a **Fire 7 Kids Edition Tablet** for our children's winner)!

Closing Date 14th February
