Head Teacher's Message

Congratulations to Fawziah in 6J whose micro review won this week's book token. It's not easy summarising a book in no more than 30 words, as well as trying to make it appeal to other readers. Please support your child to have a go at this over the weekend: they can choose any book - fiction or non-fiction - and just need to say what the book is about and why they like it. They might win next week's prize. Use today's winning entry to help:

Goodnight Mr Tom is a great book because the characters refer to certain things which make you laugh at times, but sometimes cry. People who like history will enjoy.

Year 5 learnt a lot from visiting the Royal Observatory Greenwich and viewing the 'space show'; listening to the children it's clear that this was a memorable experience. Year 4 are looking forward to their trips to the Wonderlab at The Science Museum over the next two weeks and Year 3 will be visiting the Museum of London next month. We are so lucky to have these exciting resources available to us and at Godwin we see them as invaluable ways to support learning across the curriculum. Please ask your children to tell you what they learn from and enjoy about the educational visits they take part in.

Year 6 children took part in Holocaust Memorial workshops this week. I was so impressed by the children's thoughtful responses about how certain groups can become victimised and how important the British Values of Tolerance and Mutual Respect are if we are to counter division in our community. I felt proud to be part of the Godwin community.

Best wishes for a relaxing weekend
