

Godwin Newsletter 23rd March 2018

Head Teacher's Message

In assemblies this week we have been focussing on the British Value of tolerance and what we can each do to make our society a place where everyone is valued and included. The prompt for this was that some of the children, as young as Year 3, had heard of a plan to direct violence towards Muslim members of our community. In school our children play and work alongside one another, focussing on each other's individual qualities; other factors are largely not even considered. Over the next week we will be continuing to impress upon our children that we are as proud of our diversity as we are of our unity. We will be talking about the importance of valuing our right to our individual identities and how we should be proud of these.

It is fantastic that some children have been so appalled by this hatred that they have already created posters at home and brought these in for us to display. We would love to have more to make a statement as a united community - we stand strong in the face of prejudice.

Science Competition

Congratulations to class 5W winners of the Science Week Competition to create the biggest bubble!

After School Clubs & Music Lessons

All after school clubs and music lessons have finished for this term.

Booster classes will be on as normal next week.

Easter Holiday
