Children in Need Day

Massive thanks to all who gave so generously last Friday for the Children in Need collection.

We raised a very impressive £286.08!

Football Results

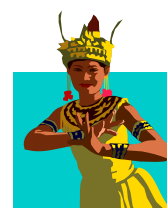

This week the years 3 and 4 Boys Football Team took part in the Newham Schools Football Tournament at Langdon School. They won 3 games, drew 1 and lost 1 in the group stages. Then in the quarter finals they lost 2 – 1 to a last minute goal. The boys played really well and were a credit to Godwin Junior School!

GAMELAN PROJECT

Well done to the pupils of year 3 for their fantastic presentation of a traditional Indonesian shadow puppet performance.

Special congratulations to those who learnt to play authentic Indonesian instruments for the show.

Lost Property

We have a considerable amount of lost property in the box in the medical room. Please check for any missing clothes/bags next week.

Also 2 parents have informed us that their children have lost jackets which have their names in and cannot be found in school.

Please check your child's coats/jackets this weekend to see if they have brought home the wrong item and if so, bring it to the school office.

BRILLIANT CLUB GRADUATION

Today we welcomed Mr Simon Elliott, Head Teacher of Forest Gate Community School, as guest of honour at our Brilliant Club Graduation Ceremony.

The Graduates have worked closely with Oxford University and had to write a 1000 word essay in order to gain their 'degree'. Many congratulations to all 10 pupils who graduated today.
