preparing pupils for lifelong success

Head Teacher's Message

In assemblies this week we have been focussing on International Day of Persons with Disabilities; in particular discussing 'non-visible' disabilities such as ADHD, autism and dyslexia. We talked about some of the barriers which people with these conditions have to overcome and reflected on how adaptations can support individuals to achieve their goals. Our recent visit by paralympian Will Ellard, who has both ADHD and autism, was an excellent example of how some-one with a non-visible disability can still be exceptionally successful. We hope that this message resonated with all of our pupils and helped those with non-visible disabilities feel positive about this aspect of themselves.

The British Value of Tolerance has been a theme linked to this week's RE visits to a Hindu Temple and a Jewish Synagogue. Our children have been excellent ambassadors for our school and learned a lot from seeing these places of worship and religious artefacts at first hand.

Next week is the last week of after-school clubs at Godwin. We will be contacted families next week to confirm places in our spring term clubs.

LOST PROPERTY

Please ensure that your child's clothing is
labelled with their name and class.
This will help us to return lost items
without delay.

The guitars at Godwin Junior School urgently need replacing. To give the pupils at Godwin the chance to enjoy playing music, this project aims to raise £5000 to replace all 30 guitars with better instruments that will last years and encourage the children to have an interest in playing the guitar. If you can spare a donation, please scan the QR code. It will all help and go

Please can we
ask for your
help in
ensuring that
children are
dressed appropriately
for school each day;
Crocs are unsuitable as
they can easily slip off
children's feet when
they are running in the
playground.

Please can we also ask
you to make sure that
children aren't wearing
jewellery in school, with
the exception of stud
earrings. This is for
health and safety
reasons, as well as to
avoid upset if items are
lost or broken.

*Thank you in advance
for your support!*

Article of the Week

International
Day of
Persons with
Disabilities
3 DECEMBER

On 3rd December, we observe the International Day of Persons with Disabilities, promoting inclusion and accessibility for all. This year's theme, "Fostering disability-inclusive societies for advancing social progress," highlights how building inclusive communities drives positive change for everyone.

At Godwin, we will focus on British Values such as mutual respect, individual liberty and tolerance, which are essential to fostering an inclusive community. Our Learning Powers: good learners carefully consider their choices and work collaboratively also link directly with this. Learning from each other will help us make the world a fairer and more equitable place for everyone.

*This day reminds us of the UNCR's **Articles 2** on non-discrimination, **12** on respecting every child's views, and **23**, which ensures that children with disabilities can lead a full life with dignity and independence. Let's support **SDG 10** to reduce inequalities for a supportive world where everyone thrives.*

Mindfulness Corner

Every Friday we will highlight a different group or organisation with resources for mental health and wellbeing. (We are not endorsing any particular site nor are we ambassadors for it - we are simply providing pointers towards sites that might be interesting/helpful).
