For two weeks beginning Monday 29<sup>th</sup> February, in partnership with SusTrans we are running the 'Golden Lock Competition' for all children who cycle to school.

Every day during the fortnight a golden lock will be placed on one bicycle at random and the bike owner will win a small prize.

So dust off your bicycles, cycle to school, park up in one of the bike sheds and look out for the golden padlock!

REMEMBER: When cycling stay safe by always wearing a safety helmet and making sure other road users can see you.

## Godwin Globe

## Online Safety

During our recent internet safety day the children were taught about the importance of staying safe whilst online.

As a result of these lessons, we have become aware that some children have social media accounts such as Facebook and Instagram.

**The minimum age to open an account is 13.**

To find out more go to <http://www.saferinternet.org.uk/safer-internet-day/2016>

Thank you to all the children who entered the online safety competition. The quality of the posters was fantastic!

The winner is: Barley (4A)

Runners Up: Maryam (5A) and Aayan (4A)

The winning poster will go on display in each class highlighting the importance of how to be safe online.

## Federation Consultation

Please remember to complete your response form and place it in the box in the school reception.

This is your opportunity to have your say about the proposal for Godwin Junior School and Woodgrange Infant School to join together in a hard federation.

You do not have to include your name or your child's class on the consultation response form if you don't want to.
