

Godwin Newsletter 19th June 2020

Head Teacher's Message

It has been great to have some of our Year 6 pupils return to Godwin this week. In total, we have now welcomed back 60 children who are in the categories 'key worker' or 'vulnerable' or who are in Year 6. The children have really enjoyed their week (almost as much as the staff!)

Thank you again for the donations of plants – our school garden and planters look fantastic and the children have had fun bedding them in. If you are able to spare any plants please bring them to the front gate anytime between 10am and 2pm and we will be delighted to have them.

We are re-organising our school library so please can I ask those of you who live locally to return all books to the school next week. We will have a large crate by the main school gate on Cranmer Road where you can leave them. Please do not touch or take any other books out of the box.

Best wishes for the weekend.

#GoA & E

During the Covid period there has been a 50% reduction in A&E attendance by children and young people. The Newham Children's Health Team have produced a video with Newham young people that can be seen at:
