Punctuality

This term assembly times have been changed to later in the morning so that learning can begin as soon as registration has been completed. Therefore, it is all the more important that your child arrives on time, as late arrival will now impact upon your child's learning and disrupt the learning of the rest of the class.

Children can go to their classes from 8.45am onwards ready for the start of the school day at 8.55am.

If your child arrives after this time they must report to the school office to book in and give a reason for their late arrival.

We are monitoring the punctuality of all pupils and will be contacting any parents/carers of those who are persistently late for school.

Arriving at School

We would like to ask that parents/carers drop off their children on the patio area in the mornings and not to go through to the cloakrooms as we are finding that these areas are getting very congested.

Also, if you need to speak with your child's class teacher please try to do so at the end of the school day rather than in the morning.

If you need to see them as a matter of urgency please go to reception and speak with a member of office staff who will endeavour to assist you.

Please note: ONLY pupils in years 5 and 6 are permitted to walk home alone at the end of school or from after school clubs.
