

Head Teacher's Message

You can't have failed to notice that today Godwin celebrated World Book Day. Developing a love of reading is an essential part of our job – literature opens up our eyes to the world of opportunities waiting for us, whether these are real or imaginary ones.

A big thank you to Ms Smith and the other adults who helped to re-organise our school library, which re-opened today. Every pupil in the school will have visited the library today to choose a new book to take home. Please spend some time this weekend reading with your child and discussing their book: Why did they choose it? What do they think will happen next? Which characters do they like/dislike and why? What is the most interesting fact/new word they have learned from reading it?

Today also sees our new reading competition launched. Please ask your child to explain how they can win a book token.

Finally, thank you for your support with helping the children enjoy this special day by dressing up as their favourite book characters. The school looked amazing.

Snacks in School

Sometimes children need a small snack during mid-morning break or at the end of school before their after school club.

We would like to encourage you to provide healthy snacks for these times instead of crisps, sweet biscuits and sugary drinks.

Healthy snacks are not only more filling but also more beneficial to your child's health and growth.

Why not try small cut up vegetables; carrots, celery, cucumber and peppers OR pieces of fruit and little cubes of cheese?

Rice cakes are also a good snack choice.

(Please note: Because of allergies we do not allow nuts or sesame seed items in school)

Water is the only acceptable drink for your child to bring to school.

Books!

Do you have any books (in good condition) that you no longer want that you could donate to our school library?

Fact or fiction books are all needed to boost the stock we have, so that we have a wide selection for all our pupils to enjoy.

Have a look this weekend and bring any books to the school office.

Head Lice

We have had reports from several parents/carers that their children have head lice.

Please check your child this weekend for signs of head lice and treat as appropriate.

Thank you.
