

Godwin Newsletter 6th November 2020

Head Teacher's Message

As part of our vision to develop responsible global citizens, we will be marking Children in Need Day next Friday in an odd way! We will be asking everyone in our school community to show their support for this excellent cause by wearing odd socks for the day. Yes – that includes all of our parents and carers as well as the children and staff! Please contribute £1 on the day if you are able.

UNCRC Article 29: The right to an education that encourages respect for others

Sustainable Development Goal 4

On Thursday 12th November we will be holding a Zoom session on Online Safety for parents and carers. We will email you the details next week.

UNCRC Article 17: Children must be protected from materials that could harm them.

Stay Safe

From Monday 9th November we are asking all parents and carers to wear a face mask when on the school site dropping off and collecting your children.

Senior Leaders on the gate will also be wearing face shields. This is to support us keep everyone as safe as possible.

Please can we also remind you to be aware of social distancing, particularly when you are collecting your child from their teacher at the end of the school day.

Please can you also ensure that if you are waiting for Y4 and Y6 children to be dismissed, you keep younger children with you and supervise them.

Thank you.

Big Book Bash!

Godwin's first ever Big Book Bash!
will take place on Tuesday 24th November.

Each year group has a theme and the children are invited to attend in fancy dress (with a prize for best costume). The theme is linked to a book, the title of which is a closely guarded secret.

Read the Big Book Bash letter explaining what is in store for this amazing event.

Coats

ALL children must bring a proper coat with them to school every day to keep them warm and dry at playtime. Please ensure you put your child's name inside the coat to identify misplaced or lost items.

Thank you!

Influenza Immunisation

Thank you to all who have returned their influenza immunisation form.

The immunisations are due to be given in school on Monday 16th November by Newham Health Service nurses.

Keeping Warm

Due to Covid-19 we have to make sure that the school is well-ventilated. This means that the classroom windows are kept open.

Please ensure that your child wears an extra layer to school (hoodie etc.) to keep them comfortable.

Head Lice

Several parents/carers have informed us that their children have head lice.

Please take some time over the half term break to check your child's hair for any sign of head lice or nits (the eggs) and if there are signs present please take necessary treatment action.

You can find useful information at

<https://www.nhs.uk/conditions/head-lice-and-nits/>

Autumn Activities

Newham Council are providing a full programme of half term activities; some that can be attended in person and others that are virtual online activities.

Details of the programme can be found at:
