

Head Teacher's Message

It has been lovely to see the children's art and design work developing over the summer term. The children have demonstrated imagination and flair as well as an eye for detail. From talking to them I know how much these sessions are enjoyed. UNCRC Article 29: Education must develop every child's talents to the full.

Thank you for all of your support with our fundraising initiatives to support Year 6's end of year events. This will make a big difference to the end of their primary school years. We have a few new things planned for next half term, including collecting loose change so please keep your small coins for us!

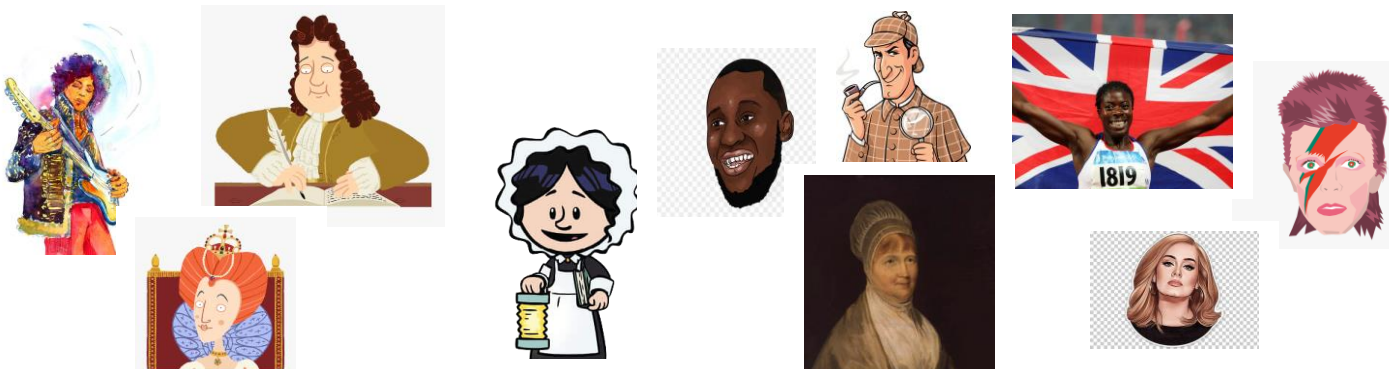

The weather this week has been very unpredictable to say the least! Please can we ask you to make sure that your child brings a coat to school every day so that they can go out at break and lunchtime if it is only light drizzle. We all know how important it is for children to get fresh air and have the opportunity to run around with their friends.

Best wishes for a relaxing weekend.

The Big Ask

In April, the Children's Commissioner, Dame Rachel de Souza, launched The Big Ask, which is the largest ever survey of children in England. It asks all children about their priorities and concerns for the future, so that we can put children at the heart of the national recovery post-COVI D-19. Has your child had their say about what matters to them? If not, then please consider supporting them in completing this survey and make their voice heard. Every single child's voice is important. The deadline for completing the survey is Friday 28th May - this is a great opportunity for our children to flex their article 12
