preparing pupils for lifelong success

Head Teacher's Message

Our Year 4 children had an amazing Smoothie Bike Experience today, courtesy of our catering company, Juniper. The stationary smoothie bike uses pedal power to drive a blender, which in turn creates smoothies. This activity is a fun way to underpin serious messages about healthy eating and the importance of a balanced diet. It was an incredibly popular event and our pupils loved making and sampling the delicious healthy, eco-friendly smoothies! UNCRC Article 24; SDG 3.

Our continuing link with the Tree Council saw volunteers from M & G come in to Godwin this week. The team built planters to soften our rear entrance, as well as dug and began to sow a wildflower meadow at the front of the school. Our Year 3 and 4 gardeners and after-school Environment Club will develop some of this work and we will all benefit from it! Stage two of the work is scheduled for later this month. UNCRC Article 24; SDG 11; SDG 15.

We commemorated VE Day in a number of ways at Godwin. Pupils participated in themed assemblies throughout the week to provide context for this significant day. On VE Day itself, our pupils joined a live online event and enjoyed class-based activities including writing a letter to a Veteran, a Code-breaking task, creating recipes for hope for a time capsule and designing 'Medals for Peace'. Our children were incredibly thoughtful in their responses to these lessons. In addition, our VE Day-themed lunch in our decorated dining hall was a big hit.

Next week sees our Year 6 pupils sit the national SATs. We already know that they are amazing - we don't need tests to tell us that!

Lining Up Cup

This week's winners are 3K and 5W

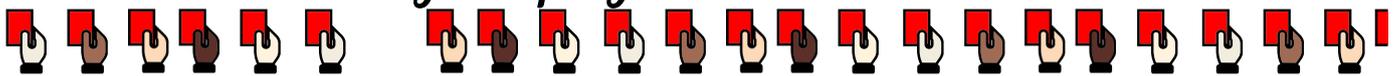

This year marks the 80th anniversary of VE Day, which commemorates the end of World War II in Europe on 8 May 1945. Across the UK and beyond, people are remembering the day peace returned to Europe after six years of conflict. VE Day reminds us why peace, freedom and international cooperation matter. Just months after the war ended, the United Nations was created to help prevent future global conflict and protect human rights around the world.

This week's activities link to the UNCRC:

- *Article 38 - Protection of children in war.*
- *Article 29 - Education that promotes peace and respect.*
- *Article 31 - The right to play and celebrate culture.*

Mindfulness Corner

Every Friday we will highlight a different group or organisation with resources for mental health and wellbeing. (We are not endorsing any particular site nor are we ambassadors for it - we are simply providing pointers towards sites that might be interesting/helpful).

This week we feature mental health support from MENTAL HEALTH FOUNDATION
