## **Harvest Appeal**

This year our Harvest Appeal will once again be supporting the Newham Food Bank.

Every day people in the UK go hungry for reasons ranging from redundancy to receiving an unexpected bill on a low income. Food Banks help to relieve families of the anxiety of ensuring there is sufficient food on the table.

Please be generous and provide a tin or packet of food to go on our Harvest Table in reception  
(Please ensure that donated items are within their best before date).

Our Harvest Table is already looking seasonal with fabulous produce grown in the school allotment by Gardening Club children.

## Academic News

We have received further news of ex-Godwin pupils who have achieved successful A-level results and are now going to University;

Muhsin Ali studying Aeronautical Engineering at Loughborough University and Muhammad Miah studying Business and Marketing at the University of Greenwich.

We wish both young gentlemen every success in their future studies.

## Coats

The weather is now very changeable and so it is advisable for you to ensure that your child brings a coat to school every day.

Please write their name on the inside label to help with identifying any lost or misplaced items.
