Head Teacher's Message

It has been fantastic to start using our school garden this week. Year 3 have been busy planting a range of vegetables which will taste delicious as well as support learning in their science topic. Other year groups will also be developing their gardening skills this term; we hope that the children will really enjoy this aspect of outdoor learning and gain a lot from it.

We are fortunate that Steve, from the 'Community Garden' in Earlham Grove, will be working with our pupils to ensure they all have this opportunity. This links to the UNCRC Article 24 'Every child has the right to nutritious food'.

Remember to come along to the BIG Dig and picnic tomorrow, details of which are below. This event is partially funded by a grant from Newham 'Get the Party Started'.

Congratulations to our debating teams who competed at UEL this week. All of our children had organised their ideas in to a clear structure and spoke so confidently – it really demonstrated how fantastic they are! We are exceptionally proud of them.

Best wishes for a relaxing weekend!

Chestnut Nursery

Chestnut Nursery would like to remind parents/carers of children who attend their after school provision, to remember to inform them if their child is attending any after school clubs at Godwin.
