Head Teacher's Message

In assemblies this week the children have been learning about the Jewish new year festival of Rosh Hashanah and how it is celebrated. We have also marked European Day of Languages. The British Values of Tolerance and Mutual Respect are at the heart of everything that we do at Godwin and by making links across borders and faiths and also with those who do not practise a religion we seek to nurture these Values. As you are aware, part of our school's vision is to develop responsible global citizens and we hope that by fostering a world-view which seeks to promote greater understanding we can help our children to make our planet a better place. This links with the UNCRC Article 14: Every child has the right to practise their religion, and Article 29: Education must encourage the child's respect for their own and other cultures.

Our focus on helping children to build their Learning Powers will continue all year. We know that by strengthening these attributes our children's learning will improve immensely.

Good learners:

- Are curious: They want to learn more.
 - Persevere: They keep trying.
- Consider choices: They think carefully about their decisions.
 - Collaborate: They learn from working together.
- Embrace mistakes: They know that they are important for learning.
 - Evaluate: They reflect on what helps them learn.
 - Explain reasoning: They can articulate their ideas.

Safety Alert

Please be aware that at the beginning and end of the day there are often vehicles entering or leaving the car park.

For your own safety it is not advisable for you to enter the car park area at any time.

Thank you.
