

## Parent/Carer Conferences

Tuesday 20<sup>th</sup> October and Thursday 22<sup>nd</sup> October  
3.40pm – 6.00pm

Please remember to book your appointment to meet your child's class teacher for the first meeting of this academic year.

## Doctor Bike

As part of an initiative to encourage children to cycle more we are planning lots of fun bike-themed activities in association with the Sustrans 'Bike It Plus' project. The first of these is on Thursday 22<sup>nd</sup> October. From 8:20 am we will be providing a **free** light and healthy breakfast to the first 40 people who arrive by bicycle or scooter. Bikes will then be given a **free** safety check during the school day by Dr Bike (a trained bike mechanic), which will include some basic maintenance. Please encourage your child to scoot or cycle to school and accompany them for a great start to the day!

## GAMELAN

This week the children in year 3 have worked with the 'Gamelan' project to produce a traditional Indonesian shadow puppet performance accompanied by live Indonesian music.

Well done to you all for your amazing work and stunning performance!

## Autumn

**All the leaves are falling down  
Under our feet on the ground  
The branches swish side to side  
Use the leaves for jumping in  
Many people brush them aside  
Now soon enough winter shall arrive.**

Thank you to Malaikah (4S) for this beautiful poem.

## National Apple Day

Sunday 25<sup>th</sup> October  
11.00am – 3.00pm  
**Newham City Farm, Beckton**  
'Spooky Apple Day'

Lots of **FREE** 'apple' fun for all the family.

More details of this event and other Newham Half Term activities can be found online at
