

Godwin Newsletter 28th June 2019

Head Teacher's Message

As you know, part of Godwin's vision is for our children to become responsible global citizens. Pupils learn about their rights, as enshrined in the UNCRC, and how they can promote these. I am delighted to announce that we have been awarded **silver status** by Unicef, which is a fantastic achievement. Thank you to Ms Valle, who leads this area, and to all our children for their continuous championing of the universal, inherent, inalienable, unconditional and indivisible nature of rights.

As many of you will be aware, Newham is consulting about a proposal to improve air quality and the street environment outside Godwin Junior and Woodgrange Infant Schools. I know that you will agree how vital it is that action is taken to protect our children. We will be hosting a drop-in session after school on Thursday 11th July – please come along and find out more. Please also complete the online questionnaire:

www.newham.gov.uk/HealthySchoolStreets
