

Head Teacher's Message

Part of our vision statement at Godwin Junior School is that we create responsible global citizens.

To help children develop this awareness, each year group has a charity that they promote across the school.

Our Year 3 children confidently presented their cause: Newham RAMP (Refugees and Migrants Project), in assemblies this week.

Year 3 are co-ordinating the collection of non-perishable food for families who are unable to afford to buy the essentials that so many of us are fortunate enough to take for granted.

If you are able to donate any packaged goods please ask your child to bring them in to their class.

These items will be very gratefully received.

Thank you.
