## Head Teacher's Message

School has been closed for 6 weeks now and it feels like an eternity! It has been lovely to hear from the teachers how much they are enjoying their 'phone conversations with the children, and from talking to parents and carers I know that it has been exciting for the children too (once they got over the shock!). Just a reminder that teachers will be withholding their numbers so please do answer!

Thank you for your continuing support with home learning – so many children are logging on to Google Classroom and it is a great way to keep in contact with their friends in a monitored environment too! Remember that you can come to school on Thursdays 11:30 – 1:00 to collect a home learning pack if you are having difficulty accessing online learning.

If your child is using social media platforms such as WhatsApp, please ensure that you check messages – we have had a case of inappropriate behaviour which is a shame when we need to keep in touch more than ever at the moment. Article 15 of the UNCRC: children have the right to mix with other children as long as this doesn't harm others.

We hope the teachers' jokes put a smile on your faces!!!
