- Ensuring all the attendance codes used are correct in line with the latest DfE School Attendance document (see appendix 1)
- Contacting all families who fail to notify the school on their child's absence on the first day of absence. If a family does not answer the call, admin staff will leave a message and contact all of the emergency contact numbers. They will then repeatedly keep trying to call the family throughout the day – keeping a log of the date and times.

- Contact the school as early as possible on the first day of absence stating the child's name, class and reason for absence. This should be done on the morning of the first absence before school starts and every day thereafter.
- Promote a good attitude to learning by ensuring their children attend school dressed appropriately and with the basic equipment required for lessons
- Avoid arranging medical and dental appointments in school time wherever possible
- Not take term time holidays

- Ensure the school is given two emergency contact numbers which are kept up to date
- Inform the school whom the child normally resides with

### 4. PROCEDURES

Our procedures for recording and monitoring attendance and punctuality are as follows;

- At the beginning of each session a register is completed by the class teacher. Guidance for staff on the accurate completion of registers has been provided in the Code of Conduct
- Registers are checked daily by the admin staff for accuracy
- Any amendments made to the attendance register must include: the original entry; the amended entry; the reason for amendment; the date on which the amendment was made; and the name and position of the person who made the amendment
- Every entry in the attendance register will be preserved for a period of three years
- Year 3 and 5 children are expected to arrive for registration at 8:55am and those in Years 4 and 6 are expected to arrive for registration at 9:10 am. Children can arrive 10 minutes before their registration times to complete Early Morning Work
- Registration will be kept open for 30 minutes after the register has been taken. If children are late they should report to the office and provide a reason for their lateness
- Late arrivals are added to the register with the reason recorded
- In line with Health Protection Agency guidelines, a period of 48 hours absence is required for any pupil with vomiting or diarrhoea. Such absence due to illness is authorised

Parents/carers are spoken to about their child's attendance regularly:

- through informal discussions
- at termly parent/carer conferences if attendance or punctuality issues are impacting on learning
- at formal meetings where there is a cause for concern and always when attendance or punctuality falls below LA or school trigger points

- annual reports to parents/carers include a record of their child's attendance

On occasion, parents/carers may ask for permission to take their child out of school. This absence is acceptable and authorised if

- a medical/dental appointment card is shown
- a serious family crisis arises
- a child's health or safety is at risk
- it is for a religious observance
- it is for an interview for a place at another school
- it is transition day/time for a new school
- the child is participating in an approved public performance or sporting event which is not deemed detrimental to their education

## **5. ABSENCE AND ATTENDANCE CODES**

We use the national codes to record and monitor attendance and absence in a consistent way which complies with the regulations. They are also used for collecting statistics through the School Census System (see appendix 1)

## **6. PUPIL ABSENCE**

### **6.1 Stages to follow up persistent absence**

At Godwin Junior School the attendance of pupils is recorded electronically using the SIMS data management software. Reasons for pupil absence have a specific code and this assists the school to monitor persistent absentees. In our school we expect pupils to achieve 97% and above attendance and have fewer than 10 lates across the academic year.

#### Stage 1

If attendance or punctuality falls below an acceptable level; a letter will be sent to the parent/carer advising them of their child's unacceptable level of attendance or punctuality and ask them to ensure it improves while offering support and advice if appropriate. The attendance and/or punctuality are monitored for a further three weeks.

#### Stage 2

If attendance or punctuality fails to improve after three weeks of monitoring, parents/carers will be invited to a meeting with the Deputy Head Teacher to discuss the issue and targets will be set. Home visits will be carried out for pupils who are persistently absent or late.

#### Stage 3

If the meeting with the Deputy Head Teacher fails to bring about an improvement, an in-school Attendance Panel comprising of the School Attendance Officer, Deputy Head Teacher, Designated Safeguarding Lead and, where possible, a governor, will meet parents/carers to inform them of the need for their child to attend regularly and punctually. At this stage, an Action Plan will be agreed with parents/carers. Such a Plan may include allocation of additional resources or external support. If the problem appears to be a medical one, a referral will be

made to the school nurse. In cases where there appear to be issues requiring outside interventions to support the family and child, a referral may be made through Newham's Triage service for external agency support.

#### Stage 4

For pupils whose attendance and/or punctuality fail to improve, after a range of interventions and support measures put in, the final step will be to involve the Newham Attendance Management Team and possibly, Social Care.

### **6.2 Persistent Absence**

Children whose attendance is under 90% and below are classified as 'persistent absentees'. If a child is regularly absent due to illness the school will request that a parent/carer provides medical details from their doctor before continuing to authorise further absences. The school has the authority to unauthorise absences for persistent absentees if the school is not satisfied with the reason given for the absence.

### **6.3 Penalty Notices**

If a child is taken out of school without the Head Teacher's authorisation, it will be recorded as unauthorised absence.

*Section 23(1) Anti-Social Behaviour Act 2007;*

Penalty Notices may be issued to the parents of pupils who have unauthorised absence from school. The amount of the penalty is £60.

- If this is not paid within 21 days the amount rises to £120.
- If not paid within 28 days the Local Authority will prosecute under section 444(1) unless it comes to our attention that the penalty notice had been issued in error.

*Section 444(1) Education Act 1996;*

'If you are the parent of a child of compulsory school age who fails to attend school regularly, you are guilty of an offence'.

The court can fine each parent up to £1,000 per child, order payment of the prosecution costs and/or make a Parenting Order. Furthermore:

- penalties and prosecutions are in respect of each parent for each child
- 'parent' includes any person who is not a parent of the child but who has parental responsibility for the child (and applies whether or not that person lives with the child) or who has care of him/her.
- these prosecutions are criminal proceedings and could result in parents having a criminal record.

### **6.4 Long-Term Sickness Absence**

Occasionally some children have to be away from school over a long period of time due to illness or for medical treatment. We will ensure that if they are well enough they can continue their education by providing school work so that they can maintain the same curriculum coverage as their classmates.

## **6.5 Dental and Medical Appointments**

Wherever possible, parents/carers should make every effort to avoid making medical or dental appointments during the school day. It is preferable to try and arrange these during holiday periods or after the school day. Most medical appointments do not necessitate a full day absence and it is the parent/carer's responsibility to bring their child back to school once the appointment is over.

## **6.6 Children Missing Education (CME)**

"Schools must make reasonable enquiries to establish the whereabouts of the child jointly with the local authority, before deleting the pupil's name from the register" (Department for Education).

Procedures for trying to trace children who cease to attend without prior notification are in place. If after ten days of continuous absence, the school has been unable to ascertain the whereabouts of a pupil, all checks will be completed as per CME pre-referral procedures, including a home visit. The child's details will be sent to the Local Authority for it to perform checks that are not available to school. The Local Authority will advise the school when to remove the child from the school roll.

## **6.7 Non Starters**

Pupils who are allocated a place at Godwin Junior School but fail to start are also treated as Children Missing Education. If the school has been unable to make contact with the family during a ten-day period after their expected arrival, they will refer the pupils to Newham Attendance Management Services and the CME team in order for further checks to take place.

## **7. PUNCTUALITY**

Year 3 and 5 pupils are expected to arrive for registration at 8:55am and those in Years 4 and 6 are expected to arrive for registration at 9:10 am. Children can arrive 10 minutes before their registration times. Year 3 and 5 pupils arriving after 8:55am and Year 4 and 6 pupils arriving after 9:10am must go to the school office, ensure they are recorded in the late register and provide a reason for being late.

The register is taken at the beginning of the morning and afternoon sessions. Pupils arriving after the register is closed may not be marked in the register immediately, but will be marked as late by the office staff.

Pupils in Years 3 and 5 should be collected from school at 3:20pm and pupils in Years 4 and 6 should be collected at 3:35pm unless they are attending a club or any other after-school activity. If a parent/carer is going to be late collecting their child they should ring the school office. Any parent/carer who regularly collects their child late will be invited to meet with the Head Teacher.

## **4 HOLIDAY ABSENCE IN TERM TIME**

Term times are for education. Children and families have 175 days to spend time together, including weekends and school holidays. As a school, we rightly prioritise attendance. In line with Newham Local Authority guidance and the 2013 Amendment to the Education (Pupil Registration) (England) Regulations, leave for pupils during term time is not authorised except in exceptional circumstances. The fundamental principles for defining 'exceptional' are rare, significant, unavoidable and short. And by 'unavoidable' we mean an event that could not reasonably be scheduled at another time.

Examples below are provided are illustrative rather than exhaustive:

- death of parent/carer or sibling of the pupil
- life threatening or critical illness of parent or sibling of the pupil
- parent/carer recuperation and convalescence from critical illness or surgery (leave request to be made within 6 months of recovery and medical evidence required)
- absence for a bereavement of a close family member is usually considered an exceptional circumstance but for the funeral service only, not extended leave.
- families may need time together to recover from trauma or crisis

In order to help us ensure that our children achieve the very best that they are able to, the Governing Board has agreed that from September 2017 all requests for holiday absence during term time will continue to be declined and that parents/carers who take their child out of school for this reason ~~will~~ **may** be subject to a Penalty Notice, issued by the Local Authority. This position is similar to other local schools.

The school recognises that taking children out of school may constitute a safeguarding risk and will make necessary enquiries in order to be satisfied that the child is not at risk.

Family emergencies need careful consideration. It is not always in the best interest of the child, nor appropriate for them to miss school for family emergencies that are being dealt with by adult family members. Being at school, friendships and support from staff can provide children with stability and care during difficult times. The routine of school can provide a safe and familiar background during times of uncertainty.

Requests for leave in term time must be made in writing. The Head Teacher will then make a decision on whether or not the leave can be lawfully authorised and will do so only if there is a genuine, exceptional and urgent reason for a child to be absent during term time.

## **5 ENCOURAGING EXCELLENT ATTENDANCE AND PUNCTUALITY**

The most vital part of encouraging good attendance is to ensure that the school is a place where children want to come: that the school is a place where the children are treated with respect and feel valued; a place where their needs are recognised and are being addressed; a place where all children can experience success within a rich, relevant and diversified curriculum.

It is important that the school celebrates excellent attendance and punctuality. We recognise this in a number of ways:

- Praising the individual pupil
- Positive comments to the family
- Recognition in weekly school celebration assemblies by issuing trophies for the best whole-class attendance and punctuality records for the previous week
- Entry in the Roll of Honour Attendance and Punctuality Book
- Written comments on parent/carer reports
- Commending pupils who have been making an effort to improve their attendance
- Providing individual pupils with weekly attendance charts to motivate them to attend school
- Providing a soft start to the school day to support children to settle in class before learning takes place
- Issuing certificates for improving attendance

## **6 ELECTIVE HOME EDUCATION**

Parents and carers have a legal responsibility to make sure their children receive an education. They may choose to educate at home rather than at school. Home education occurs when parents/carers choose to assume the responsibility for planning, implementing and evaluating their child's learning, in place of school. It is a serious, long-term commitment and parents/carers who choose to educate their children at home must assume full financial responsibility for their education.

The Authority recommends that parents/carers wishing to home educate should complete and return a Home Education Pupil Information Sheet. The information sheet asks for educational objectives; proposed resources; and the hours and organisation of learning. There is no obligation on the parents/carers to complete the sheet but it would be helpful for the teacher responsible for monitoring Elective Home Education to have seen this before meeting with the parent/carer and child.

## **COVID-19 ADDENDUM FOR ATTENDANCE POLICY**

This addendum applies from the start of the Autumn Term 2021. It sets out changes to our normal Attendance Policy, and should be read in conjunction with that Policy. Unless covered here, our normal Attendance Policy continues to apply. We may need to amend or add to this addendum as circumstances or official guidance changes

The guidance for this addendum has been taken from the following 3 documents:

Addendum: recording attendance in relation to Coronavirus during the 2021 to 2022 academic year.

<https://www.gov.uk/government/publications/school-attendance/addendum-recording-attendance-in-relation-to-coronavirus-covid-19-during-the-2021-to-2022-academic-year>

When to isolate and what to do

<https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/>

### **ATTENDANCE EXPECTATIONS**

Attendance is mandatory. The usual rules on attendance continue to apply, including:

- parents/carers' duty to ensure that their child of compulsory school age attends regularly at the school where the child is a registered pupil
- schools' responsibilities to record attendance and follow up absence
- the ability to issue sanctions, including Fixed Penalty Notices, in line with local authorities' codes of conduct
- the duty on local authorities to put in place arrangements for identifying, and to follow up with, children missing education

### **ADMITTING CHILDREN INTO SCHOOL**

In most cases, parents and carers will agree that a pupil with symptoms should not attend the school, given the potential risk to others.

If a parent or carer insists on a pupil attending your school, the Head Teacher can take the decision to refuse the pupil if, in their reasonable judgement, it is necessary to protect other pupils and staff from possible infection with COVID-19. The Head Teacher's decision would need to be carefully considered in light of all the circumstances and current public health advice.
