1. Aims

The school's prime purpose is to provide the best possible education for its pupils. The school wishes to be at the hub of our community, promoting equality of opportunity in an overall inclusive and accessible environment. This Policy is designed to give access to our facilities whilst keeping with our commitments towards our pupils and community.

We aim to:

- Make sure the school's premises and facilities can be used, where appropriate, to support community or commercial organisations whose ethos is in keeping with that of the school
- Allow the hiring of the premises without using the school's delegated budget to subsidise this
- Charge for the use of the premises to cover the costs of hire and, where appropriate, raise additional funds for the school
- Not let any hiring out of the premises interfere with the school's primary purpose of providing education to its pupils

2. Principles

The School Business Manager will consider the hiring of the School's premises from any person(s) able to comply with this policy. In deciding whether or not to hire the School's premises, she will have regard to the following:

- the likelihood of any damage being caused to the premises, or neighbouring premises
- the likelihood that any nuisance that may arise, as a result of accepting the booking, including parking in the immediate area and noise affecting local residents
- interference with school activities
- the availability of facilities and relevant premises staff
- the school's Health and Safety and Safeguarding Policies
- the specific health and safety issues with regard to the number of Users
- qualifications of instructors, type of activity and so forth
- the adequacy of management procedures during the Hire Period
- the appropriateness of the hiring and if it is considered to be consistent with the ethos of the school

3. Areas available for hire
