

Head Teacher's Message

During Parliament Week we have marked the centenary of women having the vote and discussed the role of the suffragettes in bringing about this change. Next week our assembly focus will be on pollution – particularly poor air quality – and our MP, Lyn Brown, will be visiting the school to hear the children's views on how we should tackle this issue.

Thank you so much to everyone who brightened our day by dressing up, colouring their hair or painting their face! Children In Need is a fantastic way for our pupils to show that even though they are only young, collectively they can make the world a better place.

Our collection totals £240 so far.....

Best wishes for a restful weekend
