

# Godwin Newsletter 17th January 2020

## Head Teacher's Message

The Learning Powers which we support Godwin children to develop are firmly embedded in the ethos of the school and today's Celebration Assembly once again demonstrated our children's commitment to focussing on these. By helping our children to be curious, persevere, consider choices, collaborate, embrace mistakes, evaluate, and explain their reasoning we aim to equip them with the tools they need to be successful throughout life. It was fantastic to hear children explain in assembly why they were chosen to receive this week's achievement certificates.

## Sickness

In cases where children have vomiting or diarrhoea the following guidelines are given to us by the Health Protection Agency UK regarding school attendance; A child should not attend school for 48 hours after the last episode of diarrhoea or vomiting. Thank you for your support in this matter as we endeavour to minimise the spread of such illnesses.

## Spring in Your Step

**Do you ALWAYS travel to and  
from school in a car?**

Take a moment to think if it is  
really necessary. Now that we are  
stepping into spring, it's time to  
think of different methods of travel:

- Walking, cycling, scooting  
roller skating, skateboarding, car  
share, park and stride, local public  
transport, electric cars.  
Choose one of these to help the  
environment.

## Attendance & Punctuality

Congratulations to classes 3T &  
5T who were our best attending  
classes week ending 10<sup>th</sup> January  
with 100%.

Also, our best on-time classes  
were 3M & 4K with no late marks  
for the same week.

Well done to you all – keep up the  
good work!

**Excellent!**
