Pre-travel Health Advice

We have received the following advice from Public Health England and have been asked to share it with the whole school community:

'Public Health England is advising that anyone planning on travelling overseas this year should seek health advice from their G.P. 6-7 weeks before they travel. This is to help minimise children and their parents acquiring infections abroad and becoming unwell on return to the UK. Where vaccinations are required, most are provided free by the NHS.'

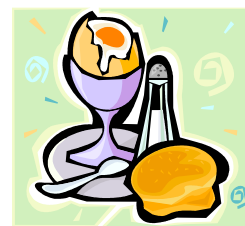

Further information regarding travel health can be found from the National Travel Health Network Centre at www.nathnac.org/travel/

BIG Breakfast
