

Head Teacher's Message

I told the children in this week's assemblies that they are part of the generation which has come to be known as **'the remarkables'**. They have gone through something truly incredible in the last twelve months, but with support from home and school they will rebuild and go on to achieve great things. They will be more resilient, they will value and seize what they have lost and they will go on to be *remarkable*.

We will be doing lots of work at school to help the children to re-settle and have planned activities to help them enjoy being back with their friends and teachers. We will continue to deliver our broad and rich integrated curriculum at the same time as supporting children to make up any significant gaps in their understanding, so that they can access learning for their year group.

On Monday, timings for the day are:

	Start time	Finish time
Year 6	8:50	3:35
Year 5	9:10	3:20
Year 4	9:00	3:35
Year 3	9:20	3:20

From Tuesday onwards, timings will be:

	Start time	Finish time
Year 6	9:10	3:35
Year 5	8:55	3:20
Year 4	9:10	3:35
Year 3	8:55	3:20

Children should arrive no more than 10 minutes before their start time and go straight to their classroom.

To support us with social distancing, **please drop your child off at the school gate every morning and do not enter the school site.**

Thank you for your support in helping to keep us all as safe as possible.

Healthy School Street

If you are a car user, please remember that the restrictions of Healthy School Streets resume on Monday 8th March.

Warm Layers

As we need to keep all doors and windows open for extra ventilation, it is advisable for all children to wear several layers to keep warm.

Achievement Awards

3B – Haajar for making the most of every learning opportunity.

3K – Safa this week for persevering with her home learning, especially in English.

3M – Iggy for showing commitment to his learning.

Sofia for being curious by asking great questions during geography.

3Q - Alex for persevering and articulating his ideas on google classroom.

4B – Hafsa this week for persevering in her maths even though she finds some of the activities a little challenging. Keep up the great work and good luck in your new school.

4I - Aiza – trying her best and persevering with her online learning.

4T – Israel for trying his best in all areas of the curriculum

Tom for consistently showing the learning powers whilst in class.

4V – Isaac for engaging well with his online learning, especially in English.

5K – Harpreet for persevering through GC and using her initiative when she was stuck with work.

5S – Jonuz for being an evaluative learner and pushing himself with his learning.

5T – Gabriel for making the choice to be a dedicated remote learner.

5Y – Zarif for his perseverance and consistency in participating fully in both morning and afternoon online lessons throughout the home schooling period.

Year 5 School Bubble - ALL the children in the Year 5 Bubble at School.

They have been a pleasure to teach, showing dedication, enthusiasm and perseverance with all tasks faced with.

6B - Qadijeh for perseverance with her online learning.

6J – Pijus for choosing to show dedication and commitment to his maths intervention lessons.

6W - Georgie for her wholehearted commitment to her lessons with Ms Collins.

6Z – Jessie for her perseverance, positivity and excellent progress in maths during home learning - and for making Miss Collins smile every lesson!

Yusuf K - persevering with his learning and making a fantastic effort in all his lessons this week.

School Library Books

**ALL school library books must be returned
on Monday 8th March.**

Please make an effort over the weekend to find any books that have been 'put in a safe place' awaiting all pupils return to school.

Newspapers

Year 6 need lots of newspapers!

Please bring newspapers to school any day next week and place in the boxes by the gates.

Thank you!!

A Time to Talk Racism and Inequality

TODAY is the last day to complete the online survey with a focus on racism, inequality and disproportionality.

Share your experience of living in Newham.

Please complete the survey to give us your feedback

<https://forms.office.com/Pages/ResponsePage.aspx?id=4Wk2NRiXEab7ZWvyHdsijb2MTIUivBIrnohG7MXm6RUQUMyTkkwOFdCVEYwNTAwQORKRDA3MkxFUi4uMarch2021>.

International Women's Day

#ChooseToChallenge

Monday 8th March 6 – 7.30pm

Newham Council are proud to announce that we will be marking this important occasion by holding an online webinar to celebrate the countless achievements women make socially, economically, culturally and politically.

Additionally, it is also a time to raise awareness of the many gender inequalities that still exist today, and talk about what we can do to combat them.

To register go to Eventbrite:

Together For Our Planet

The UK government is hosting COP-26 in Glasgow this year - a large gathering of world leaders to discuss climate change issues. As part of this event, they have called on you (children) to present world leaders with your vision of what the world should look like. If you would like to have your ideas and opinions included in this global meeting on slowing/reducing climate change (articles 12, 13 UNCRC) then please ask your parent/carer to sign the competition form and help you to send your design to the UK government by email. This will help us to build on the work that we did during our outright day in November. Details on how to enter the competition can be found at:

<https://together-for-our-planet.ukcop26.org/creative-earth/>

Do let us know if you enter the competition especially if you win one of the special prizes too! Do your bit and express yourself as well as having your voice heard on climate change.
