

Head Teacher's Message

Thank you so much to those parents/carers who attended our coffee morning this week. It was great to hear your enthusiasm for getting more involved in supporting the school through fundraising and hopefully forming a PTA in the very near future. We know that not everyone can attend meetings in the school day so if you would like to know more about how you can help please email info@godwin.newham.sch.uk

This week we have focussed on Online Safety in assemblies, in particular how important it is to seek consent before sharing pictures/information, making changes to settings, installing Apps etc. A theatre company visited us today, reinforcing the message that it's 'Our Internet, Our Choices'. Please support your child using technology safely, especially over the half term break.
Best wishes for a great week.

PTA

Would you like to be a supportive part of Godwin's future fundraising and social events?

If so, you are invited to become a member of the PTA – no particular skills needed and no commitment beyond the time you are able to give, just a desire to support and develop our fundraising.

We are delighted that one of our parent's employers have offered to matchfund Godwin for every £1 raised!

So please do help us in any way you can!

SCHOOL PHOTOGRAPHS

The last day for handing in your individual photograph orders is Monday 25th February.

Please bring them to the school office with the original order card and payment enclosed.

Thank you.

Let Your Voice Be Heard

Saturday 9th March
11.00am – 1.00pm
Stratford Town Hall

This is your opportunity to attend the March Newham Citizens Assembly, to comment on the Local Community Plan.
All Newham residents welcome.

Let your voice be heard!

Punctuality

Our best 'On Time' classes for week ending 8th February were: 4M & 6Z with 1 late mark recorded.

School Garden

We are developing the school garden over the next few weeks. The plan is for it to be a quiet place at break times and also an integrated part of the school curriculum – with us growing food, creating habitats for mini-beasts, learning about bio-diversity and much more. If you can help in any way – advice, digging, planting, collecting manure, making cups of tea??????
Please email
