Head Teacher's Message

It's been an exciting week with lots of our children involved in activities which they have really enjoyed.

Our debating society took part in its first competition this year, performing brilliantly against other local schools. Two of the team also debated at a 5 star hotel in central London!

We were lucky enough to be visited by The Royal Shakespeare Company who worked with a group of our children for the afternoon. Other pupils visited Forest Gate Community School to make use of their specialist art teaching and resources. The pieces they created will be displayed next week.

Some of our Year 3 & 4s demonstrated their athletic skills at a Newham event making us proud of their commitment. And of course, finally half of our Year 6 cohort spent 3 days at Fairplay House residential centre developing team work and resilience.

Phew! What a week!

All of these link to Article 29 of the UNCRC "Education must develop every child's personality, talents and abilities to the full."

Best wishes for a relaxing weekend.

Jewellery

Children are NOT allowed to wear jewellery in school. The only permitted items are small stud earrings, but these have to be removed for PE and swimming lessons.

This rule is not only for reasons of safety but also to prevent loss of items that are valuable.
