

Head Teacher's Message

Dear Parents and Carers,

It has been a very busy week, with curriculum visits to local places of religious worship and the Royal Observatory, a trip to the pantomime for our adventure comic strip competition winners, two of our children representing the school in a show debate in central London, rehearsals for our end of term assemblies, the children creating some fantastic crafts to sell at our Winter Fayre on Monday and all of the usual learning which takes place every day. We shall all be ready for a break by the end of term!

30 of our pupils explored diverse occupations when they visited 'Kidzania' last week. This was a great way to raise the children's awareness of the wide range of paths which are open to them when they grow up and to consider that in order to succeed in whatever they choose they will need to show one of our core values, Commitment. The children had an amazing experience, which they shared with the rest of the school in assembly and we plan to do some follow up work in the Spring term.

I hope to see many of you at Monday's Winter Fayre and end of term assemblies. The children are so proud of what they have achieved and it is an excellent way for us to share their talents with you.

Best wishes for the weekend.

A TIMELY REMINDER

As the mornings and afternoons are now significantly darker, it is timely to remind all parents/carers of the need to ensure that all our children are safe upon their journeys to and from school.

Children who travel alone need to remember to walk on pavements and be vigilant when crossing roads and to go directly home.

Those who cycle should wear a hi-vis jacket and display lights to the front and rear of their bicycle.
