preparing pupils for lifelong success

Head Teacher's Message

Our second group of Year 6 children have been having an amazing time on their residential visit this week, despite the terrible weather! The Learning Powers of Collaboration, Resilience and Perseverance have been abundant as our intrepid pupils have made and cooked on camp fires, swung from dizzying heights in the Essex countryside, balanced on high ropes and taken part in manoeuvres in the dead of night! This fantastic experience not only creates life-long memories, but also helps to develop children's self-confidence and teaches them about mixing with others in preparation for secondary school.

Here are some quotes from our returning pupils:

About bushcraft, in which they learnt to light a campfire without matches and cook a pancake over an open fire: "I didn't expect that I'd be able to light a fire just from nature - it was brilliant!"

About the high ropes, in which they developed the confidence to trust in themselves and their harness as they negotiated their way around a treetop course: "I can't believe that I actually did that! My mum will never believe me. Can we have another go?"

About 'the swing', in which they worked as a team to haul two peers to the top of a frighteningly high trapeze with fantastic views over the local countryside and then release the cord and soar: "We were really encouraging each other because it's so high and it takes a lot of courage to release the break. When you do, you feel like you're on a rollercoaster - but it's so much better because you just keep going!"

A huge thank you to our extremely dedicated staff, without whom these visits would not be possible.

New Writing Competition

The Barking to Gospel Oak Overground Line (soon to be the Suffragette Line) carries thousands of passengers each day, passing right by our school playground.

Who are the people on board? What are they thinking? What amazing stories could they tell? Do they notice us in the playground?

You could write from the point of view of a passenger, a driver or even the train itself!

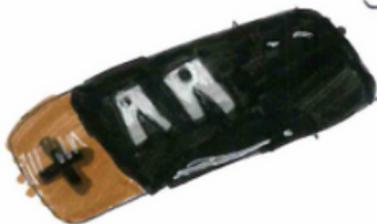

You could create a story, poem, letter, news article or anything else you choose.

Entries should be returned to Ms Smith and a winner will be chosen each Friday.

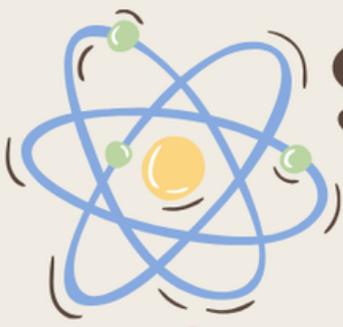

BIG BATTERY HUNT

Big we win, we get money to upgrade the playground!

Deadline: Wednesday 12th June 2024
If we collect the most batteries per student (on average) we will win **£3,500** for our school playground.

SCIENCE WEEK POSTER COMPETITION

The British Science Week 2024 poster competition is open now!

The theme this year is 'Time', – there are loads of STEM topics to explore!

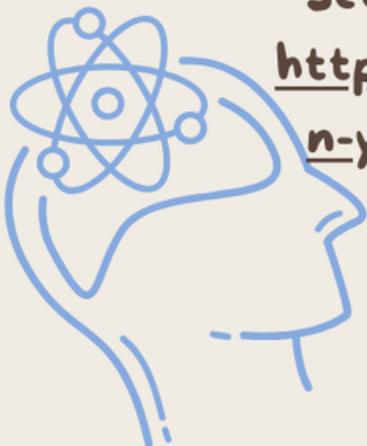

You could create a poster showing how a certain type of technology has changed over time, or even the advancement of time-telling technology itself. What about going futuristic and show us how you think the world might look in years to come, or perhaps look at nature: lifecycles, lifespans, evolution and hibernation.

Nature is full of timely topics!

Posters must be submitted to class teachers by Wednesday 20th March 2024. Please write your name and class on the back of your submission.

See a full list of prizes and rules here:

At Godwin, we are celebrating Children's Mental Health Week this week. The theme this year is 'Your Voice Matters'.

Article 24 of the UNCRC ensures that every child has the right to the best possible health. It further states that governments must provide good quality health care, clean water, nutritious food, a clean environment and education on health and well-being so children can stay healthy. Article 12 states that you have the right to an opinion and for it to be listened to and taken seriously.

What could we do as a team to make something happen in our school?

Mindfulness Corner

Every Friday we will highlight a different group or organisation with resources for mental health and wellbeing. (We are not endorsing any particular site nor are we ambassadors for it - we are simply providing pointers towards sites that might be interesting/helpful).

This week we feature mental health support from Mind:
